

MONTHLY MEETING
OF CITY COUNCIL

Large Number of Bills Were Paid
at October Meeting.

A WAR ON ENCROACHMENTS

The Council Has Decided to Clear the
Streets of Obstructions and Instruct
them to be Kept to Straighten Cer-
tain Streets—Other Business.

The regular monthly meeting of the
City Council was held Monday even-
ing, at which a full board was present
with the exception of Alderman Osh-
man, who was absent from the city.

After the reading and approval of
the minutes of the last meeting, the
tax books for the year 1905 were taken
up and examined, found correct and
adopted.

Alderman Edward O'Neill, chairman
of the committee on appropriations,
made the following recommendations for
amounts to be assessed out of the
general fund:

Redemption bonds, 3 mills; officers' fund, 5 mills; sanitary fund, 1/4 mill; light fund, 3/4 mill; printing fund, 3/4 mill; fire fund, 4 mills; street fund, 4 1/2 mills; cemetery fund, 3/4 mill; contingent fund, 1/4 mill. Upon motion of Alderman Taylor this recommendation was adopted.

Following this was the reading and
approval of a large number of bills.

The council discussed at some length
the matter of encroachments upon cer-
tain thoroughfares in the city and a
resolution was passed that the mayor
or the chairman of the street commit-
tee instruct the officers to remove the
following encroachments:

On Magnolia street, from its inter-
section with West Main street to its
intersection with Arredondo street;
Garden street, from its intersection
with Union street to its intersection
with Lemon street. The mayor or
chairman of the street committee was
empowered to employ a surveyor to lo-
cate the street lines, if necessary.

After the transaction of some minor
business, the council adjourned.

Saved His Life.

J. W. Davenport, Wingo, Ky., writes,
June 14, 1905: "I want to tell you I
believe Ballard's Snow Liniment saved
my life. I was under the treatment of
two doctors, and they told me one of
my lungs was entirely gone, and the
other badly affected. I also had a lump
on my side. I don't think that I could
have lived over two months longer. I
was induced by a friend to try Ballard's
Snow Liniment. The first application
gave me great relief; two fifty cent
bottles cured me sound and well. It is
a wonderful medicine and I recommend
it to suffering humanity." Sold by W.
M. Johnson.

Wants to Enjoin Couids.

St. Louis, Oct. 4.—Suit for injunc-
tion was filed in the St. Louis circuit
court by Joseph Ramsey, Jr., president
of the Wabash against the Iron Moun-
tain and Wabash Railway companies, the
Mercantile Trust company of New
York, Walter S. Wilson, S. M. Walk-
er and Gould. In his petition Mr.
Ramsey asks the court to grant him
an injunction preventing the proposed
annual meeting of George Gould and
his associates at Toledo, O., where it
is proposed to elect a board of direc-
tors and a president to control the
Wabash road for the next year.

Cures Winter Cough.

J. E. Gover, 101 North Main street,
Ottawa, Kan., writes: "Every fall it
has been my wife's trouble to catch a
severe cold, and therefore to cough all
winter long. Last fall I got her a bot-
tle of Horehound Syrup. She used it
and has been able to sleep soundly all
night long. Whenever the cough trou-
bles her, two or three doses stop the
cough, and she is able to be up and
well." 25c, 50c and \$1. Sold by W. M.
Johnson.

Six Persons Burned to Death.

Hixington, W. Va., Oct. 4.—Six per-
sons, two women and four children
were burned to death in a cabin home
last night. The two husbands of the
women escaped. The burned were
Mrs. J. Alao and her three children,
and Mrs. Joseph Caldwell and one
child. Their charred remains were found
in the smoking furnace cabin.

Eleven Murder Cases on Docket.

Waynesboro, Ga., Oct. 4.—The reg-
ular term of Burke superior court con-
vened here today, with Judge Horace
Holden, of the northern circuit, on the
bench. He made an able charge to the
grand jury and was particularly se-
vere on tigers and concealed weap-
ons. The civil business will be fin-
ished tomorrow when the criminal
docket will be taken up. There are
eleven murder cases at this session,
but the most important is the Smith-
Herrington case. The grand jury is in-
vestigating the Schramm case. This
case is of interest, as Schramm was
the man who was killed by unknown
parties in the Curtis Hall duel here
June 26. A large crowd is in the city
attending court.

Doctors Said He Would Not Live.

Peter Fry, Woodruff, Pa., writes:
"After doctoring for two years with
the best physicians in Waynesburg,
and still getting worse, the doctors ad-
vised me if I had any business to at-
tend to I had better attend to it at
once, as I could not possibly live
another month as there was no cure
for me. Foley's Kidney Cure was rec-
ommended to me by a friend, and I
immediately sent my son to the store
for it, and after taking three bottles I
began to get better, and continued to
improve until I was entirely well." J.
W. McCullum & Co.

Present from German Emperor.

Washington, Oct. 4.—Captain Heb-
blinghaus, naval attaché of the German
embassy, called by appointment at the
White House and presented to the
president a valuable collection of en-
gravings illustrative of the life of Fred-
erick the Great, the gift of the Ger-
man emperor. Captain Heblinghaus
was also the bearer of a personal mes-
sage from his sovereign to the pres-
ident. The president asked Captain
Heblinghaus to thank the emperor
heartily for the gift and the greeting.
The president will also acknowledge
them in a letter to the emperor.

A Judicious Inquiry.

A well known traveling man who
visits the drug trade says he has often
heard druggists inquire of customers
who asked for a cough medicine,
whether it was wanted for a child or
an adult, and if for a child they almost
invariably recommend Chamberlain's
Cough Remedy. The reason for this is
that they know there is no danger from
it and that it always cures. There is
not the least danger in giving it, and
for coughs, colds and croup it is un-
surpassed. For sale by all druggists.

Port of Vladivostok Opened.

Vladivostok, Sunday Oct. 1.—The
first freight steamer left this port to-
day for Chefoo, thus re-opening reg-
ular commerce by sea between Vlad-
ivostok and other ports. A Russian
transport sailed simultaneously with
relief stores for the Kamchatkan coast.
Navigation is still risky owing to the
floating mines, four of which were
sighted by small craft yesterday with-
in 14 miles of the harbor.

If the Baby is Cutting Teeth

Be sure and use that old and well-
tried remedy, Mrs. Winslow's Sooth-
ing Syrup, for children teething. It
soothes the child, softens the gums,
allays all pain, and cures colic and is
the best remedy known for children. Ten-
ty-five cents a bottle.

Insomnia and Indigestion Cured.

"Last year I had a very severe attack
of indigestion. I could not sleep at
night and suffered most excruciating
pains for three hours after each meal.
I was troubled this way for about three
months, when I used Chamberlain's
Stomach and Liver Tablets and re-
ceived immediate relief," says John
Dixon, Tillamook, Ontario, Canada.
